**TENTATIVE APPROVAL OF TEMPORARY RULES**

Dr. Zarybnisky made the following motion:

Pursuant to Section 67-5226, Idaho Code, the Governor has found that temporary adoption of these rules is appropriate to protect the public health, safety, and welfare of the citizens of Idaho and confer a benefit on its citizens.

These rules implement the duly enacted laws of the state of Idaho, provide citizens with the detailed rules and standards for complying with those laws, and assist in the orderly execution and enforcement of those laws.

The expiration of these rules without due consideration and processes would undermine the public health, safety and welfare of the citizens of Idaho and deprive them of the benefit intended by these rules.

The Governor has also found that the fees being imposed are justified and necessary to avoid immediate danger to the Genetic Counselors Licensing Board budget, to the state budget, to necessary state functions and services, and to avoid immediate danger of a potential violation of Idaho's constitutional requirement that it balance its budget.

Therefore, we are adopting these temporary rules to be effective upon *sine die* of the 2020 session of the Idaho Legislature. The approval is conditional and will only become effective if the rules are not otherwise approved or rejected by the Legislature and/or not extended pursuant to the Idaho Administrative Procedure Act, including Sections 67-5291 and 67-5292, Idaho Code.

Dr. Beck seconded the motion. Motion carried.

## **ADJOURNMENT**

Ms. Eichmeyer requested the meeting adjourn by unanimous consent. The meeting adjourned at 3:06 PM MST.
